City info:

As the capital of Jilin Province, Changchun is the second largest city in Northeast China and the political, economic and cultural center of the province.

The natural sceneries lie in lakes and forests. Nanhu Park (South Lake Park), Jingyuetan National Forest Park are good places for you to enjoy the pleasure given by nature. Especially in winter the whole city will give you a real enjoyment of genuine winter. Besides, there are colonial vestiges, such as Puppet Emperor's Palace, Badabu. Still Changchun Film Studio and Movie Wonderland provide you another different kind of enjoyment comparing with simply watching movies in cinemas.
