Harbin is the capital and largest city of Heilongjiang province in Northeast China, as well as the 10th most populous city nationally. According to the 2010 census, the city's urban area has 5,878,939 inhabitants. Harbin serves as a key political, economic, scientific, cultural and communication hub in the northeast.

Harbin is notable for its beautiful ice sculptures in winter and its Russian legacy. Snow carving and ice and snow recreations are world famous. The Harbin International Ice and Snow Festival is one of the four largest ice and snow festivals in the world.
